📁 PROJECTS

Forvia-Hella, Liga AC labs
Development and testing of fuel pump control
04/2024 - 06/2024

Web Portofolio ↗
A brief description of my skills and accomplishments in a web-site created by me.

The Odin Project
I have started implementing various projects from The Odin Project to build a foundation in web development concepts, while simultaneously working on algorithms and backend problems at university.
These can be viewed on my GitHub profile.

📚 PROGRAMMING SKILLS

C
Java
HTML
CSS
JavaScript
OOP concepts

🧠 COMMUNICATION AND INTERPERSONAL SKILLS

Teamwork
Flexibility
Communication
Attention to detail
Logical thinking
Curiosity
